Allocation of Funds

Students will be given points as outlined above. The total number of points given to all students will be added together. The total amount of available CRRSAA funds will then be divided by the total points to calculate a "per point" amount.

(7) Any instructions, directions, or guidance provided by the institution to students concerning the Emergency Financial Aid Grants.

As you are aware, the federal government made available Emergency Financial Aid Grants for students under the HEERF II / CRRSA Act. These funds are to be distributed based on financial need. Your eligibility for these funds and the dollar amount of your grant was determined using a point system based on the information you provided on the application for these funds and your FAFSA(s).

As a reminder, you have agreed to use these funds for eligible expenses under a student's cost of attendance such as tuition, course materials, food, housing, health care (including mental health care) or childcare.
