Work Ethic Scholarships

At mikeroweWORKS, we know the real world doesn't run on a once-a-year deadline. Training programs start and bills show up year-round. As a result, we've decided to expand our application window and give more hardworking men and women the chance to apply when they're ready and when funding matters most. **This year, you can apply for a scholarship any time between February 23, 2026 until October 31, 2026.**

It's a small change that we hope will make a big difference.
